

ONLINE BRASS CATALOG

sales@mcgillhose.com - www.mcgillhose.com

Since 1962, McGill Hose & Coupling has been the professional's choice in sourcing fittings and fabricating specialty hose assemblies. We are now proud to say that our brass fitting offerings are now available online with 3-Day Expedited shipping at prices that will meet or beat your expectations...

Simply follow the easy step-by-step instructions on the back of this sheet to get registered and begin ordering your products. Of course if you need assistance or require products not found on our online catalog, our 3 locations are eager to assist you!
